

## Essex Marina Winter Boat Storage Service Order

Essex marina, Inc., P.O. Box 57, 2272 Main St., Essex, NY 12936  
(518) 963-7222 / essexmarina@hotmail.com / <http://www.essexmarinany.com>

Date \_\_\_\_\_

**Boat will be ready for haul out after \_\_\_/\_\_\_/\_\_\_ (must be no later than October 11 without prior approval by management.)**

Fuel tanks will be full and holding tank pumped out, boat ready for hauling. Or

- Essex Marina should service before hauling (\$25 boat handling fee plus fuel & pumpout charge)
- Pumpout
- Fill fuel tanks

**Please perform everything needed for standard winterization as appropriate to my boat.** (Includes as needed: oil change(s), winterization of engine(s), water system, head(s), air conditioner(s), lower unit service, bottom wash, fuel stabilization and battery storage.

Note: Appropriate services will be performed automatically as part of the winter contract, unless you specifically request we omit and item. If you do not wish us to perform a particular service, please cross it off the list.
